4-H Livestock Sale - 6:00 pm MT

NEW AND RETURNING BUYERS

- Each 4-H exhibitor will be eligible to sell only one market beef, one market sheep, one market goat, and one market swine.
- The Northwest Kansas District Free Fair Board has determined that if an animal goes through the sale that it is not to be made available for re-sale. What happens to the animal is to be the first choice of the buyer (ship to sale barn, send to a locker, or take home). Any corrections or questions should be dealt with only after the conclusion of the sale.
- If you are wanting to process an animal it is advised to make an appointment with your preferred locker earlier rather than later. This is a very busy time of year for lockers and available space fills up fast.
- 2020 4-H Livestock Sale Order – Swine, Sheep, Beef, Goat (Grand and reserve champions of all species will sell at the beginning of the 4-H Livestock Sale).
- Market animals will be released and shipped at the discretion of the superintendent.
- Sale Bill Availability (floor prices published on sale bill):
 - Hand delivered by 4-H exhibitors to previous year buyers the morning of the 4-H Livestock Sale. Please contact the Extension Office at 785-890-4880 to be added to the list.
