Hot Heels will be pulled by 4-wheeler.

Scoring:

2 points for Clean Head Catch – slick horns
1 point for Around-the-Neck Catch

2 points for both legs caught
1 point for 1 leg caught

Maximum Score for a run is 4 points. If header misses, no points will be given. Heeler can still practice legs but will not count. No time will be kept. Speed is not that important as it will be controlled with the 4-wheeler. This is a great way to practice with younger ropers and have a little bit of fun!!! Great way for parents to have some fun too!
